Dear Friend,

Every autumn, the Hunterdon Healthcare Auxiliary has been proud to hold A Culinary Affair, which brought the area's finest restaurants together to provide samples of their culinary creations while supporting essential local organizations. During this year of change, we are still striving to bring the community together, and have created an exciting, new event to celebrate the season and enjoy each other's company in a beautiful farm setting.

A Taste of Autumn will be an outdoor gourmet experience that brings the community together to raise money for Hunterdon Hospice and Hunterdon Home Health Services. How exciting to be able to gather together, and how wonderful to do so in support of such important services!

Save the date and join us at "A Taste of Autumn" on Sunday, October 3, 2021 (rain date Sunday, October 17). Enjoy the crisp fall air on beautiful Fieldview Farm while savoring a delicious meal from area restaurateurs and listening to talented, local musicians in a celebration of the very best Hunterdon County has to offer. Hear from those touched by the incredible work done by Hunterdon Hospice and Hunterdon Home Health Services, and learn more about these critical organizations that are so deserving of your support.

Would you consider becoming a sponsor, advertising throughout the event or participating as a guest to help support the gentle care Hunterdon Hospice and Hunterdon Home Health Services bring to so many? Our goal this year is to reach \$60,000, and your support would be a huge help! Included is a Sponsorship, Registration and Advertising Form which explains in detail the benefits of sponsorship. Please note the important deadline to submit your ad is by September 10 before 1:00 pm.

Thank you for your consideration. If you have any questions, please call the Foundation Office at (908) 788-6141, or email [foundation@hhsnj.org](mailto:foundation@hhsnj.org).

Warm regards,

Lynn Coates
